2	cheerleading was far too many in the class for the kids	11/24/2015 8:06 PM
3	The sports were fun but could have done more than two.	11/24/2015 4:24 PM
4	would have been better with less of an age range	11/24/2015 3:16 PM
5	She would have, if she had given it a shot, if we try again with someone she knows participating at the same time, she would have had a blast!!!! Thanks so much for putting on this awesome event!!!! I told a lot of other moms about it:)	11/24/2015 2:39 PM
6	The wall climbing was way to busy for them otherwise all was good	11/24/2015 2:01 PM
7	He was so excited	11/24/2015 1:18 PM
8	Wish I would of got on it sooner, because even though my son loved his experience, those weren't his first chooces, and his first chooces were already full, but that was my fault. Next year I'll be on it at the first whisper of this great event	11/24/2015 1:11 PM

1	It is a great event, I will register early next time as the most popular stuff fills up fast. Thanks!!	12/11/2015 12:03 PM
2	Great event, love the opportunity to try new sports without a commitment.	12/9/2015 1:58 PM
3	My child tried fencing. It would have been nice if the equipment was cleaned/sanitized after previous groups. Equipment was filthy.	12/7/2015 9:21 AM
4	This program was great. My son loved being able to try a few different sports that he was interested in without having to sign up first.	12/1/2015 3:50 PM
5	I love giving the kids a chance to try something with no pressure, expense, or commitment - it makes it easier to find out what they like the most. I do wish that childrens' sports programs which interest my children didn't keep getting scheduled too early on Sundays for us to even consider going (like many G.P. families we attend church Sunday mornings until at least noon).	11/30/2015 11:07 PM
6	If next time, show us the detail of the address would be very nice. These time we apply for the figure skate, and we found on the sheet the location is GP skate club. And the only location of GP skate club is in the Cocacola Center. But when we arrived there, we just find an office. My son was so disappointed at that time.	11/30/2015 10:32 AM
7	Thanks for having this. It was a fun day for my son trying a couple of new sports! During one of them, he came and gave me a big hug he was so happy!	11/29/2015 2:39 AM
8	Just a quick bit of feedback for the young lady who coached curling----the intent of the day is exposure to sport. In this case her time with the kids was spent on technical details and not on trying curling---there were two groups on the ice at the same time. The other group threw stones and swept for 25 minutes. Her group had the last 7 minutes to play with the stones because she spent way too much time on technical details and terminology. It was fun the never the less and I am certain she had a good intent---just not quite the right focus..... Thank you for an excellent day---we cannot wait to try new sports next year.	11/28/2015 9:10 AM
9	Better advertising. I didn't hear about it till 2 days before both years so was very limited spots left. Better descriptions for things like pickle ball.	11/27/2015 11:46 AM
10	APE parkour was not very well prepared to have children in their facility. With uncovered concrete floors, it didn't feel overly safe. we were assured that rubber floors were coming but, until that was in place I don't think they should have been hosting a large group of children.	11/26/2015 10:50 PM
11	Thank you for putting this all together!	11/26/2015 6:57 PM
12	I wish some of the sports would have extended ages. Kayaking for example. I had 2 older children (under 16 but over 12) that would have LOVED to try kayaking, fencing, archery - sports that are less common	11/26/2015 9:59 AM
13	Great idea! Koodos to all the volunteers!!	11/25/2015 7:10 PM
14	The Taekwon do session was not run very well by the leader	11/25/2015 6:38 PM
15	My only comment was that when my girls participated in cheerleading, it was disappointing that they didn't allow everybody to try each thing. They did 4-5 different poses and for each one my child was the spotter, so she stood there and watched. Had she been switched out and been allowed to try holding someone, or being lifted, she may have wanted to pursue it. This is only some feedback for the gymniks to consider, overall the event is an amazing idea and we will try it again. (just not cheerleading)	11/25/2015 5:05 PM
16	The registration list filled up too fast for cheerleading. Would have liked to have seen gymnastics and hockey as well.	11/25/2015 2:03 PM
17	We could of tried 3 things. Had a blast	11/25/2015 12:42 PM
18	It was awesome! Please continue for next year:)	11/25/2015 12:16 PM
19	It was fantastic - we had a great tome. Both places we went were super organized and friendly!	11/25/2015 11:10 AM
20	Very nice idea. exposes children to activities which we, as parents, might not be aware of or consider. Thank you!	11/25/2015 9:11 AM
21	Great job all those that were a part of making this happen!	11/25/2015 8:07 AM

22	Excellent day! Both my children tried 2 brand new sports and had an excellent time! Thank you :-)	11/24/2015 11:02 PM
23	the initial registration didnt work smoothly. has to reenter 2 or 3 times and then lost our spot for some classes. Also, not clear if classes were full until try to register.	11/24/2015 10:41 PM
24	Well organized! A wonderful idea! Great to be able to try a sport before committing, especially financially. Thank you!	11/24/2015 10:40 PM
25	I'm so very happy for this event, thanks Grande Prairie	11/24/2015 10:25 PM
26	Really enjoyed the opportunity, just wish kids could try more than 2 things!	11/24/2015 9:41 PM
27	It was amazing, and I just wanted to give the volunteers a BIG thank you!!!	11/24/2015 9:39 PM
28	Great program!	11/24/2015 9:27 PM
29	We had fabulous coaches at both the Gymniks Parkour and the Racketball. They were excellent with the kids!!! Thanks so much!!!	11/24/2015 9:17 PM
30	Well put together and a great opportunity for kids to try something new.	11/24/2015 8:52 PM
31	Love this day! Try before you buy is always good. We often select things for our kids to do and they don't always love it - great way to avoid this. All participating sports that we attended had great instructors and great enthusiasm for the kids!	11/24/2015 8:38 PM
32	Cheerleading was very disappointing as there was barely enough room in the room for the kids to move. Kids showing kids...was not impressed with this try it session. Komodo academy was very informative to the parents while the kids got to try so many things in a very good environment. Thank you for allowing kids this opportunity!	11/24/2015 8:08 PM
33	Excellent program!	11/24/2015 7:34 PM
34	Some events filled up super fast, like rock wall climbing(6-8), maybe the more popular sports should have two sessions. Also, as my child is enrolled in sports on Saturday, so she was only able to do one event as it conflicted with her normal class, maybe a Sunday would be better? Had a great time! What an awesome thing to host! It would be awesome to have an Adult Try-It Day or even a Family Try-It Day where the whole family can participate! Thank you to all the organizers for their hard work!!	11/24/2015 7:32 PM
35	Well organized and sessions we went to were great!!	11/24/2015 7:28 PM
36	No it was set up great very easy to register and I feel like a lot was packed into 45 minutes. My daughter loved both sports and we are looking to register her in one of the two she tried	11/24/2015 6:37 PM
37	The instructors in the sports my child tried were great	11/24/2015 6:18 PM
38	I was at the crosslink center and there was an older (16/17) junior hockey team utilizing the field to warm up throwing baseballs/footballs/etc during the time of the karate try-it. It'd be nice to see the time being dedicated to the try-it rather than it being shoved into a corner of the field, and having the kids distracted/worried by the older childrens play.	11/24/2015 6:12 PM
39	I would like the age groups/times to alternate. It seemed like most things for 6-8yr olds were at 10/11am so it was only possible to do one activity in the day.	11/24/2015 5:12 PM
40	It's a wonderful opportunity for the children to get a taste of different sports that are available for them to become involved in. It also informs them of sports they may not want to try! I appreciated having the opportunity to be involved with this.	11/24/2015 5:03 PM
41	This was my sons first year as last year it was fully booked by the time I got to register. He is 12 I would like to see this open to maybe a little older. Thank you all for all you have done. It was great fun and appreciated for a single mom who does not want to pay for a sport her children did not know they would enjoy.	11/24/2015 4:46 PM
42	This was a great event put in by the sport council. They did an amazing job. My child looks forward to it every year.	11/24/2015 4:42 PM
43	Such a logistical challenge and great job by the volunteers and business owners. Perhaps if some of the quickest to fill up sports could have more time slots?	11/24/2015 4:24 PM
44	wonderful thing thank you	11/24/2015 4:18 PM
45	It's a fantastic way to be able to try something new/different.	11/24/2015 4:12 PM
46	A great event!! Thank you to all the organizers, sponsors and volunteers for making it happen. I hope to see it again in the future. A job well done!	11/24/2015 4:06 PM
47	Excellent. Just not enough time to get btw venues.	11/24/2015 3:40 PM

48	It is a good way for parents to check out not only the different sports in town, but also for us to check out the leadership team behind the different sports. In many ways, as much as its a 'try it day' for the kids, parents us it as an audition for the coaches and leadership teams. If they look organized and professional, we are far more likely to register our kids.	11/24/2015 3:34 PM
49	Wonderful opportunity to try a couple different sports without spending money, committing to one and the kids not enjoying it.	11/24/2015 3:25 PM
50	This is the second year that we have done this event and we love it. It's a wonderful program!	11/24/2015 3:21 PM
51	It would be better with less of an age range. My kids (age 12) had less interest in activities that put them with 6 and 7 year olds. I would like to see it go up to 15 years.	11/24/2015 3:17 PM
52	Kids had a wonderful experience.	11/24/2015 3:16 PM
53	Thought it was a great opportunity to try new things without obligation.	11/24/2015 3:13 PM
54	It was wonderful! My kids had a blast. Thank you so much!!	11/24/2015 3:08 PM
55	I think it was great and the kids loved it and the instructors were fantastic	11/24/2015 3:08 PM
56	This is a wonderful opportunity for children and we are so lucky to have had the opportunity. Thank you very much!	11/24/2015 3:01 PM
57	Thank you for all the volunteers that made this possible, hoping to do it again next year	11/24/2015 3:00 PM
58	I think it should be advertised at the schools and have more slots for each sport. The sport he really wanted was full and he was disappointed.	11/24/2015 2:46 PM
59	It would be really nice if the event took place maybe in January or February? Weeks leading up to Christmas is such a busy time for some children with extra performances and practices etc, the parents also, at least some that I spoke to agreed, that they were just too busy trying to get things done this time of year. I think you folks did a great job and would like to hopefully help out with some volunteer time for such a great event!!! Sports help encourage healthy lifestyles :)	11/24/2015 2:44 PM
60	Great job to everyone!!	11/24/2015 2:44 PM
61	I try to register Fencing but only 6 spots, my son was very upsd	11/24/2015 2:38 PM
62	Love love love this event. This is our 2nd year and I took 4 kids. We drove like crazy, and should have organized my time better. Haha. 15 min from the county to the gprc was too short. We all had fun and everyone was friendly at each location and very informative!! Thanks!	11/24/2015 2:36 PM
63	What a great opportunity for the children!! We loved it!! Thanks :-)	11/24/2015 2:36 PM
64	No	11/24/2015 2:34 PM
65	Great variety & very well organized! Thank you to all the organizers & volunteers :)	11/24/2015 2:24 PM
66	My daughter did diving and for all the emphasis on being on time, the teacher was late about 5 min. This makes it difficult when you have two kids registered in the same time frame!	11/24/2015 2:24 PM
67	Would be really fun to have some more dance or gymnastic type sports for the kids to try. Highland or Irish dancing as an example. Really glad to see figure skating an option.	11/24/2015 2:21 PM
68	I appreciate the opportunity that you/your event has given my child, thank you!	11/24/2015 2:17 PM
69	This is a wonderful program thank you so much for providing it	11/24/2015 2:16 PM
70	A great idea to get kids inmost community out there trying different sports. Thank you.	11/24/2015 2:12 PM
71	Would have loved if there was a few more spots available in the older ages! It all seemed limited on the evening that registering opened. Maybe if this happened in beginning of October we would be more likely to not miss registration for certain sports?	11/24/2015 2:10 PM
72	It was awesome !!!! Great job	11/24/2015 2:07 PM
73	1.THANK YOU for making this day happen. 2. Venues should ensure that the sidewalks nearby are shoveled prior to the event. 3.I know that my friend missed his skating session due to confusion about the location. Not sure how that could be remedied.	11/24/2015 1:58 PM
74	It'd be fun if the kids could try 3 things. They enjoyed what they did, but it was very hard to pick just 2	11/24/2015 1:52 PM
75	It was a great. Nice to have them participate in something first before spending money/commitment given.	11/24/2015 1:47 PM
76	Spread out over 2 or more days and allow children to be registered for 2 sessions per day	11/24/2015 1:40 PM

77	none	11/24/2015 1:40 PM
78	Thankyou my boys had a great time!What a wonderful free event!????	11/24/2015 1:35 PM
79	Tough to plan more than one event per child when they are in different age groups (ages 6 and 9) 15 minutes was not enough time to travel between some venues safely, therefore we only did one event per child. Would have been nice to try 2.	11/24/2015 1:29 PM
80	It seemed that some of the sports weren't all full. Would be great if kids could do a 3rd activity if they don't fill up by a certain date.	11/24/2015 1:29 PM
81	This is an excellent event that gives children a chance to try a new sport without the parents having to spend \$\$\$s on something only to find out the child doesn't like it. My only suggestion would be to swap the T-shirts out with a cheaper identifier, perhaps a paper wristband; I know my daughter's shirt ends up in the trash as it can't be worn anywhere else. Great job done by your volunteers! Thank you so much for putting this on every year.	11/24/2015 1:27 PM
82	It's a great way for kids too experience other sports, my daughter thought she would hate taekwondo but by the time her 45 minute session was up she was wanting us to enroll her. Such a great idea!	11/24/2015 1:25 PM
83	It was well run with lots of different events for the kids to try. I would LOVE to see a try it day for adults.	11/24/2015 1:25 PM
84	I think offering it to younger children would be amazing. My 4 year old felt very left out not being able to try sports.	11/24/2015 1:25 PM
85	I'm so happy that this event is offered, I think it's really really great!	11/24/2015 1:25 PM
86	Thank you!	11/24/2015 1:21 PM
87	Only concern you might want to work on you database management and use it to populate the emails when remind everyone what they signed up for and not distribute the names of all the participates. But that's an easy fix for next year. THANK YOU FOR WORKING SO HARD.	11/24/2015 1:20 PM
88	Wonderful opportunity to try something new, maybe have a representative from the organization that can talk to the parents while the kids are trying out the sport.	11/24/2015 1:20 PM
89	This is such a fabulous way to have children try an activity with no financial commitment!! It also was great to see the list of options and opened our eyes to what is available in the community. I would love to see this on a bigger scale that hosts events in each community such as those available in the smaller centers like Sexsmith and so on. What all is out there?! Wow!	11/24/2015 1:19 PM
90	Should of put last comment here. But yes fantastic program, my son had a great experience, hopefully it will happen again, and I will get on it faster for he can have more options. Hats off to the city, county, and to everybody involved in putting on this event, hope to see in carry on for many more years.	11/24/2015 1:18 PM
91	Try it day is an awesome event that raises awareness about the sports that are available in grande prairie and kids have a lot of fun participating. It would be great if it was offered more often, maybe twice a year, for summer sports and winter sports.	11/24/2015 1:18 PM
92	No	11/24/2015 1:16 PM
93	Awesome event. Keep it up. Loved it	11/24/2015 1:14 PM
94	I wish it were avail for ages 3-5 on another day.	11/24/2015 1:12 PM
95	I thought it might be worth adding more sports - maybe some ballet- it is an active event even though it is not normally called a sport. Or snowshoeing through musoseepi, or arctic sports/Dene games.	11/24/2015 1:11 PM
96	Don't get too big. If it expands you need to spread it out over more days so kids can try more sports or have a longer exposure (more than 45 minutes).	11/24/2015 1:11 PM
97	The notice we got from Hythe Regional School was the wrong date causing some confusion. Overall the event was well set up, the volunteers were extremely helpful, and my children enjoyed themselves.	11/24/2015 1:10 PM
98	Some of the classes were too small,or should have had more than one class (shooting, fencing, archery). And having more than 1 child, there wasn't always a lot of time to get from one location to the next	11/24/2015 1:07 PM
99	What an amazing program! The only thing I could add, if it's a possibility to let the children try up to 4 sports. I know there were a few more my daughter wanted to try that filled up quick. Either way, it was an incredible opportunity! Thanks so much!	11/24/2015 1:05 PM
100	It was a wonderful event. I just wished there was more room for the Skeet shooting	11/24/2015 1:04 PM
